COVER LETTER

Respected Sir/Ma'am,

I am Abhinav currently majoring in Computer Science and Engineering at Galgotias College of Engineering and Technology, Greater Noida and currently I am in 6th semester with 77.22% aggregate and within TOP 5% students of my branch.

I want to pursue my career oriented towards Software, Mobile Application development, and ingenious in the real world while enhancing my abilities and skills.

My background and coursework have supplied me with many skills. I have practical knowledge of Android, Firebase, Java, JSON, Photoshop and Various API's and have made certain projects based on it. All PROJECTS (One to One Chatting App, EMI calculator, Expense Manager, Sentiment Analyser and Weather App) are available on GITHUB.

I am interested in Android App Development Internship and I would like to do a project in your institute During Summer -2017.

I have also been an Intern as Android Developer at Papswap, a talent-exchanging network & community, and also a Graphic Designer Intern at Coding Blocks, a leading Institute imparting Programming knowledge in India.

I am confident that you will be pleased with the skills and my projects in the accompanying resume. Thank you in advance for your time and consideration.
